

A PUZZLE GAME FOR BLOCKHEADS

DELUXE EDITION

Now Available: **Unlockable Special Abilities!**

Infinite Detonators

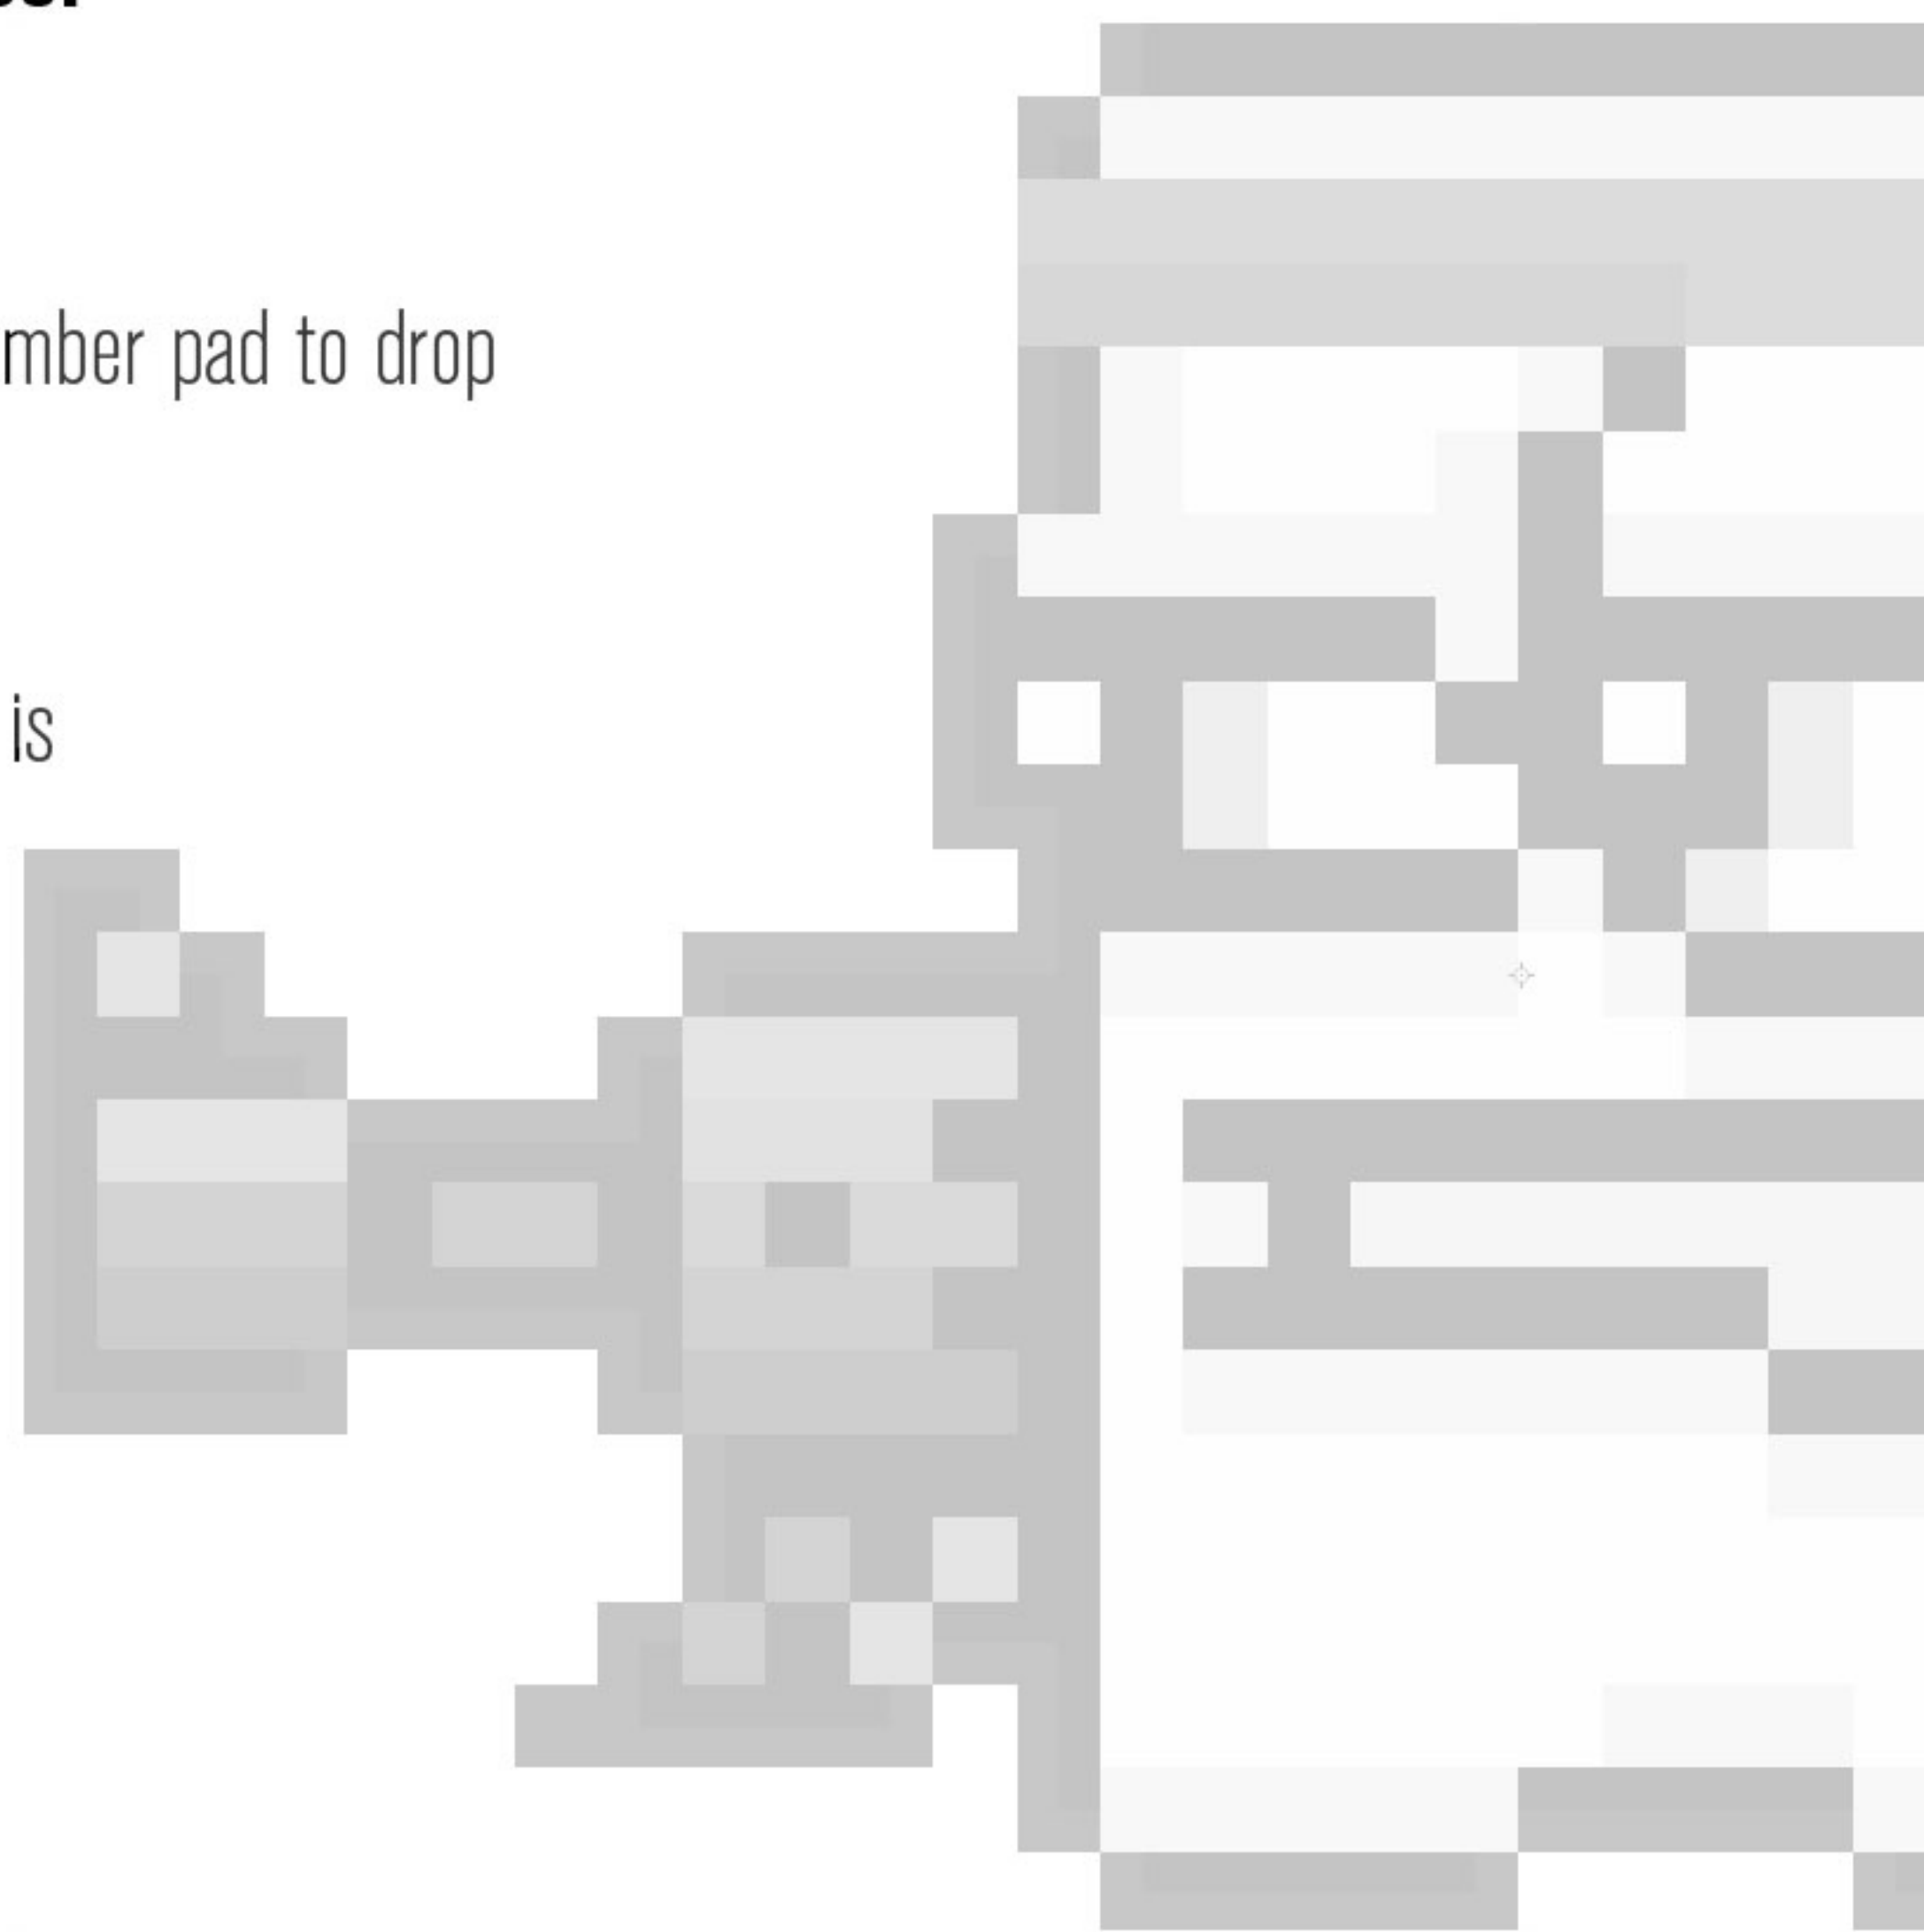

- Click/touch the icon or press the [+] key on the number pad to drop in a detonator in the place of any basic ice block (the block is randomly selected).
- Blowing up all the ice on a map using the detonator is handy for clearing levels and finding hidden items.

Hide

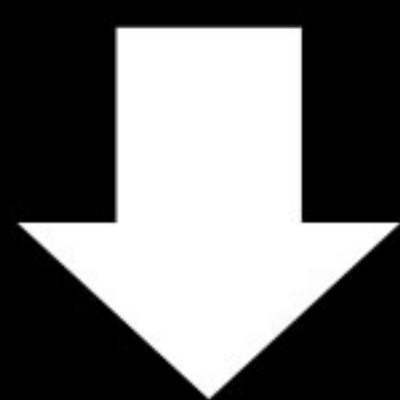

- Click/touch the icon or press the [5] key on the number pad to hide.
- When hiding, Boxman avoids all damage from penguins and from rolling objects.
- Boxman cannot move or shoot while hiding.

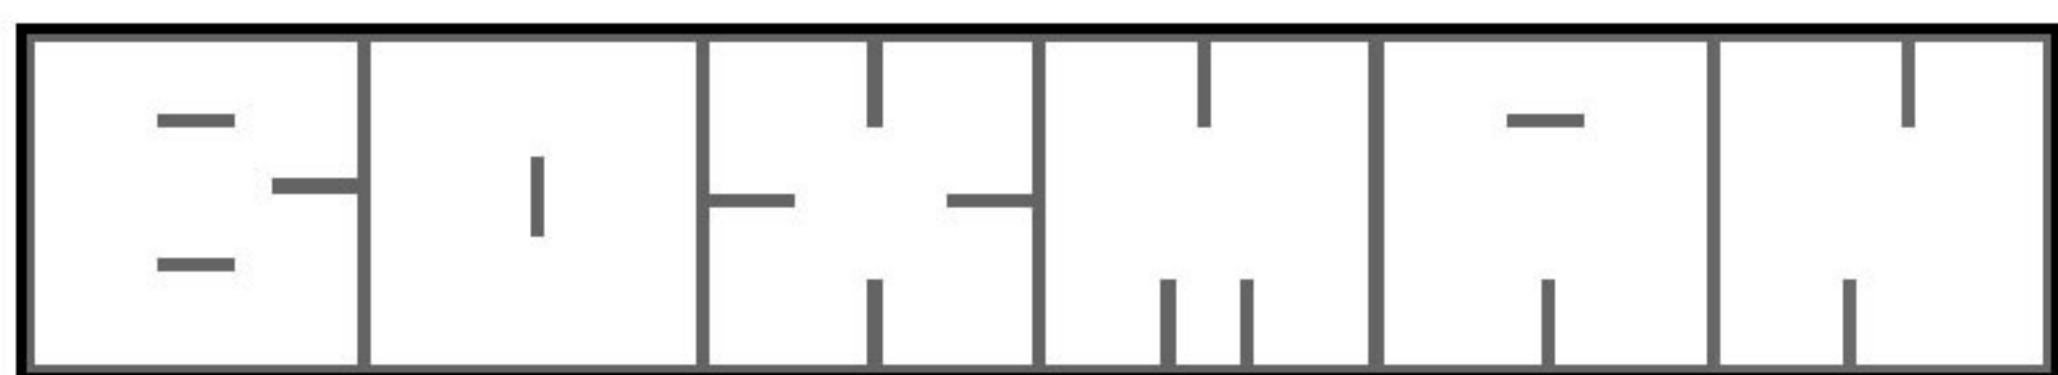

Shield

- Click/touch the icon or press the [0] key on the number pad to use the shield.
- The Shield protects Boxman automatically from all damage.
- Boxman is protected from falling objects but may have to slide to get out from under them.
- Boxman cannot still lose by staying in water too long, falling off the map or by damaging the goal flags.
